

How do I...open my school email from home?

1. Click the 'Outlook' link at the top of the school website, www.ladymanners.net
or
Find the 'Useful Links' block on any page of Myvle and click 'Email'.

2. Enter your school username (the same one you use for Myvle). It is just the username that is needed, not your full email address
3. Enter your school password (the same one you use for Myvle)

Forgotten your school password? Send an email to ICTSupport2@ladymanners.derbyshire.sch.uk with a request to reset your password
