Section C has one case study/data response stimuli with questions worth approximately 36 marks.

Paper 1 includes the topic areas of Business in the real world, Influences on business, Business operations and Human resources.

Paper 2 includes the topic areas of Business in the real world, Influences on business, Marketing And Finance

How you can support your child:

A quiet space to work and a regular routine for completing homework are highly recommended. Every student has a revision guide and a work book. Completing regular activities in their workbook will complement the homework which is given and assessed. There are knowledge builders and knowledge organisers on Moodle which also supports students learning. An awareness of current business issues will help students to apply their business knowledge and deepen their understanding of business theory. You can encourage your child by discussing any business related stories in the news or even talking about your own experience in the work place. Numeracy skills are important for both examinations, therefore completing regular calculations will also help.

Key Websites:

<https://www.tutor2u.net/business> - good for business examples

<https://www.bbc.co.uk/bitesize/examspecs/zvwb382> - very good resources which follows the AQA syllabus with exam questions and regular tests

<https://www.bbc.co.uk/news/business> - good for encouraging discussions about current issues

Moodle:

All lessons and resources are available to students on Moodle –Business & Economics, Business GCSE – Year 11. It is important that if students are away from school that they catch up on the lessons that they have missed. Work will also be sent through class charts. Past examination papers can also be found on the page.
