

Y11 Parents' Evening – English Language GCSE Information Sheet

AQA GCSE: English Language Specification <https://www.aqa.org.uk/subjects/english/gcse/english-language-8700>

Examination Information:

GCSE English Language is assessed by examination. There are two written language examinations. Students are examined on their reading and comprehension skills in section A of each paper and their writing skills in section B of each paper. There is also a spoken language assessment which is assessed by their teacher.

Paper 1 is the fiction paper. Students are asked questions about ONE fiction text; they also have to produce a fictional piece of writing. This paper is worth 50% of the language GCSE.

Paper 2 is the non-fiction paper. Students are asked questions about TWO non-fiction texts (from different time periods); they also have to produce a piece of non-fiction writing such as a newspaper article or speech. This paper is worth 50% of the language GCSE.

The spoken language assessment is assessed by the class teacher and takes the form of a prepared speech. This assessment is graded pass/ merit/ distinction.

How you can support your child:

A quiet space to work and a regular routine for completing homework are highly recommended. There are revision sessions every Wednesday for English – encourage your child to attend these.

In order to achieve the best possible overall grade for their English GCSE we strongly recommend that students get into the habit of regular revision from now onwards, if they are not already doing so. 15 minutes a day will significantly enhance their knowledge, skills and confidence with their language skills.

There are also study guides available for GCSE language such as CGP guides.
