Dear Applicant

Teacher of Science (Main Pay Scale)

Thank you for your interest in the post of Teacher of Science at Lady Manners School. The post provides an exciting opportunity for an innovative and forward-thinking individual to make a significant impact on the teaching and learning of Science. You will be joining a faculty of highly supportive, friendly and dedicated colleagues led by an experienced Director of Learning.

Full or part-time hours are available and we particularly welcome applications from Early Career Teachers as we have a strong network in place to support those who are new to teaching.

The successful candidate will be:

- a well-qualified Science teacher who is able to contribute to the development of Science at all key stages. The ability to teach across the science disciplines to GCSE level is essential. Teaching experience at A level would be an advantage.
- able to inspire students of all abilities and ages to achieve their highest potential.
- committed to delivering high quality teaching and learning.
- able to work well as part of a team.
- well aware of the importance of safeguarding children.

To assist you with your application the following documents are available:

- Information regarding the Science Faculty
- Job Description
- Person Specification
- Application Form

Completed application forms should be returned to the Headteacher by 9.00 am **Monday 27 March 2023**. The application form must be accompanied by a supporting letter which should address:

- why you are a suitable candidate for this post
- your own approaches to teaching and learning
- how you would contribute to the development of an already successful faculty and school

We look forward to receiving your application and working with the successful candidate.

Yours sincerely

G Peat
