Candidates prepared for a course will be entered for the relevant examination. It is expected that entries will be made for all of the subjects that the student studies on their timetable.

The final decision about entries remains with the school.

The Centre only accepts external entries from recent former students when there are very exceptional circumstances. In this instance, external candidates are expected to pay for any examination entries.

4.2 Late Entries

Entry deadlines are circulated to Middle Leaders via the internal post and email.

Late entries are authorised by Middle Leaders and the Deputy Headteacher.

Candidates should normally pay the fee for an enquiry about a result, unless there are exceptional circumstances agreed by the Headteacher. (See also section 11.2: Enquiries About Results [EARs])

6. THE EQUALITY ACT, PARTICULAR NEEDS AND ACCESS ARRANGEMENTS

6.1 The Equality Act

The Equality Act 2010 extends to general qualifications. All staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the law.

We comply with the legislation including making reasonable adjustments to the service that we provide to candidates in accordance with the requirements defined by the legislation, awarding bodies and JCQ. This is the responsibility of the Head of Centre, Examinations officer and SENDCo.

6.2 Particular Needs

A candidate's particular needs and requirements are agreed by the SENDCo, doctor and pastoral staff.

Any staff, as part of their pastoral role, may identify other requirements and liaise with the Examinations Officer over any arrangements which may need to be reviewed.

6.3 Access Arrangements

Making special arrangements for candidates to take examinations is the responsibility of the Examinations Officer. Submitting completed access arrangement applications to the awarding bodies and ensuring there is appropriate evidence for the candidate's access arrangements is the responsibility of the SENDCo and class teachers. School will ensure that the access arrangements assessor is suitably qualified and appropriately trained. Alternative rooming arrangements will be made in accordance with the JCQ regulations.

Rooming for access arrangement candidates will be organised by the Examinations Officer and the SENDCo.

Invigilation and support for access arrangement candidates will be organised by the Examinations Officer and the SENDCo (see Appendix 4 for the policy on the use of word processors in examinations).

Any appeals relating to centre decisions regarding Access Arrangements will be dealt with in accordance with the procedure set out in Appendix 3.

The Premises Manager is responsible for setting up the allocated rooms.

The Senior Invigilator will start all examinations in accordance with JCQ guidelines.

Senior staff and/or other relevant pastoral staff will help invigilators identify students.

In practical examinations subject teachers may need to be on hand in case of any technical difficulties and subject to JCQ and awarding body guidance. External invigilators will be provided if requested and if appropriate. However, only those members of staff authorised by the Head of Centre, JCQ and awarding body guidance are permitted in the examination rooms.

7.4 Contingency Planning - see Appendix 1

A joint contingency plan is in place to ensure a consistent and effective response in the event of a major disruption to the examination system. This is to safeguard the interests of candidates and to maintain the integrity of the examination process.

Contingency plans are in line with the guidance provided by Ofqual, JCQ and awarding bodies.

7.5 Malpractice

All cases of malpractice or suspected malpractice will be dealt with in accordance with the malpractice policy contained in Appendix X.

8. CANDIDATES, CLASH CANDIDATES AND SPECIAL CONSIDERATION

8.1 Candidates

The school's published rules on acceptable dress and behaviour apply at all times.

Candidates' personal belongings remain their own responsibility and the school accepts no liability for their loss or damage.

In the examination room, candidates must not have access to items other than those clearly allowed in the instructions on the question paper, the stationary list, or the specific specification for that subject. This is particularly true of mobile phones and all other electronic devices with text or digital facilities.

Any precluded items must not be taken into the examination room.

Disruptive candidates are dealt with in accordance with JCQ guidelines.

Candidates are expected to stay for the full examination time.

Candidates may leave the examination room for a genuine purpose requiring an immediate return to the examination room, in which case a member of staff or invigilator must accompany them.

The Examinations Officer together with pastoral staff will attempt to contact any candidate who is not present at the start of an examination and deal with them in accordance with JCQ guidelines.

8.2 Clash Candidates

The Examinations Officer will be responsible for arranging an alternative time for the examination and for the necessary isolation rules of any students involved.

8.3 Special Consideration

All cases of special consideration will follow the guidance set out by JCQ.

Where eligible, special consideration will be applied for at the time of the assessment where candidates have been fully prepared and have covered the whole course but performance in the examination, or in the production of coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control.

For candidates who are present for the assessment but disadvantaged Lady Manners School must be satisfied that there has been a material detrimental effect on candidate examination performance or in the production of coursework or non-examination assessment.

If a candidate is absent from a timetabled component/unit for acceptable reasons, and the centre can support this, special consideration will be applied for if the exam missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. Where applicable, candidates will be asked to complete the JCQ self-certification form.

For unitised examinations taken in an examination series prior to certification, candidates must be re-entered for any missed units at the next assessment opportunity. Unless there are difficulties arising, e.g. group performances which cannot be repeated, special consideration will not be awarded.

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored and applied for where eligible. This might include, for example:

- other certification
- coursework/non-examination assessment extensions
- shortfall in work (coursework/non-examination assessment)
- lost or damaged work (non-examination assessment components)
- candidates taking an incorrect or defective question paper
- candidates undertaking the wrong controlled assessment or non-examination assessment assignment

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, the centre will follow [JCQ](#) and awarding body guidance to determine if, when and how an adjustment can be applied for.

Any special consideration claim must be supported by appropriate evidence within five days of the examination, for example a letter from the candidate's doctor.

The Examinations Officer will then apply on-line only for Special Consideration from the relevant awarding body before the end of the examination series.

The Centre must inform a candidate when an application for special consideration is submitted to the awarding body.

Any appeals relating to centre decisions regarding Special Consideration will be dealt with in accordance with the procedure set out in Appendix 3.

9. CONTROLLED / NON-EXAMINED ASSESSMENT AND APPEALS AGAINST INTERNAL ASSESSMENTS

9.1 Controlled / Non-examined Assessment

Candidates who have to prepare portfolios should do so by the end of the course or centre-defined date.

Middle Leaders will ensure all controlled assessment is ready for despatch before the date set by the awarding body and the Examinations Officer will keep a record of:

- The date assessment was posted
- The name of the assessor

Marks for all internally assessed work are provided to the Examinations Officer by the Curriculum Leaders.

9.2 Internal Verification

There is a separate policy/procedure for the BTEC Assessment and Internal Verification and the BTEC Registration and Certification- see Appendix 2.

9.3 The Examinations Officer will inform staff of the deadline for appeals against internal assessments.

Appeals Against Internal Assessments - see Appendix 3

10. RESULTS, ENQUIRIES ABOUT RESULTS (EARs) AND ACCESS TO SCRIPTS (ATS)

10.1 Results

Dates of the results days each year will be publicised to candidates, parents and carers by the school.

Candidates in Years 10, 11, 12 and 13 and external candidates will receive individual results slips on results days in person at the school, via email or by post to their home addresses if requested (candidates to provide stamped addressed envelope). Results will only be given out over the phone or via email if agreed by the Head of Centre.

Arrangements for the school to be open on results days and the provision of staff on results days is the responsibility of the Headteacher.

10.2 Enquiries About Results (EARs)

EARs may be requested by centre staff or the candidates if there are reasonable grounds for believing there has been an error in marking.

A request for a review of marking or clerical check requires the written consent of the candidate.

A candidate may apply to have an enquiry carried out, for which they will be charged. In some situations the school will contact parents, carers and students about particularly borderline results.

(See section 5: Examination Fees)

All processing of EARs will be the responsibility of the Examinations Officer following JCQ guidance.

10.3 Access to Scripts (ATS)

After the release of results, candidates may request the return of scripts within a deadline specified by the Examinations Officer by completing the relevant form and submission of the required payment.

School staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained. The charge for this would be passed on to the Department.

No review of marking can be applied for once a script has been returned, unless there is a priority request for a script.

It is the responsibility of the candidate to ensure that they have notified school that they wish to apply for any post-results services and that they have completed the necessary consent forms and made the appropriate payment before the examination board published deadline.

10.4 Reviews of moderation

Requests for reviews of moderation will be dealt with in accordance with JCQ guidance and any specific exam board guidance.

10.5 Appeals to awarding bodies

Any appeals to awarding bodies will be conducted in accordance with JCQ guidance.

10.6 Appeals relating to post results services

Any appeals relating to the decision about whether to apply for post results services will be dealt with in accordance with the procedure set out in Appendix 3.

11. CERTIFICATES

Certificates are presented in person and signed for on Speech Day. Certificates are signed for if collected after this event. A traceable record is kept of all certificates that are issued.

Certificates may be collected, from the school office after Speech Day, on behalf of a candidate by a third party, provided they have been authorised to do so and bring identification.

The school retains certificates for one year, after then they are destroyed in a confidential manner. A record of any certificates which are destroyed is retained for 4 years from their date of destruction.

APPENDIX 1

EXAMINATIONS CONTINGENCY

PURPOSE OF THE PLAN

This plan examines potential risks and issues that could cause disruption to the exams process at Lady Manners School. By outlining actions/procedures to be followed in case of disruption, it is intended to mitigate the impact these disruptions have on our exam process.

Alongside internal processes, this plan is informed by the Ofqual (and Northern Ireland Council for the Curriculum, Examinations and Assessment) Exam system contingency plan: England, Wales and Northern Ireland which provides guidance in the publication What schools and colleges and other centres should do if exams or other assessments are seriously disrupted and the JCQ Joint Contingency Plan for the Examination System in England, Wales and Northern Ireland and the JCQ document Preparing for disruption to examinations (effective from 1 September 2023).

This plan also confirms Lady Manners School's compliance with JCQ's General Regulations for Approved Centres (section 5.3) that the centre has in place:

- a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or where the head of centre, examinations officer or SENDCo is absent at a critical stage of the examination cycle. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations, or on results day, owing to an unforeseen emergency. The potential impact of a cyber-attack should also be considered.

NATIONAL CENTRE NUMBER REGISTER AND OTHER INFORMATION REQUIREMENTS

The head of centre will ensure that Lady Manners School has a contingency plan to enable the prompt handling of urgent issues, and responds to the awarding bodies' request for information regarding the contact details of a senior member of staff (which might include a personal mobile phone number and/or email address). This will ensure that any urgent matters which might adversely affect candidates which arise outside of term time, and which potentially put qualification awards at risk, can be addressed by awarding bodies with the support of that member of staff. The head of centre will ensure that this member of staff has the necessary authority to mobilise resources to provide this support, which might include resolving issues within the centre itself.

HEAD OF CENTRE ABSENCE AT A CRITICAL STAGE OF THE EXAM CYCLE

Where the head of centre may be absent at a critical stage of the examination cycle, main duties and responsibilities will be disseminated appropriately to senior leaders.

The subject staff will follow the processes set out below:

- Students will be given a specified time frame to complete a written assignment.
- Late work submitted after the original submission date will be classified as a missed deadline. This will be logged.
- Submission dates are indicated on the assignment briefs.
- Extensions may be given for extenuating circumstances (arrangements will need to be discussed with the subject teacher and LIV will need to authorise this in line with the rules set out by the awarding body).

If a student submits a referral, a cause for concern meeting will be requested. This meeting must be attended by the student, the LIV and subject teacher. The LIV may authorise a re-submission if:

- the learner has met all the initial deadlines
- the teacher judges the learner will be able to provide improved evidence without further specific guidance
- the assessor has authenticated that the original work submitted was the learner's own work

A new submission date will be set 10 working days after the student receives the original assessment decision or subject to awarding body timescales.

The Assessment Process

- Subject teachers will clearly exemplify the standards in a format that is accessible to all so that students can access the learning objectives.
- Subject teachers will share assessment criteria and mark schemes with students.
- Subject teachers will use a range of formative, diagnostic and student peer and self-assessment to inform students of their progress.
- Subject teachers will use homework and independent learning to support consolidation of knowledge.
- Students will be exposed to a range of types of assessment that develop different learning skills.
- Through the variety of briefs, students will have the opportunity to present their work in a range of formats and through different media; paper, electronic, oral (through presentations – assessed using observational records).
- Students will be made aware of the importance of the assignment briefs and their relevance to the overall certification.
- Course information will be shared at the start of the course to outline the BTEC assessment plan, the marking criteria and support materials.

Feedback to learners

General Marking Policy

- Students should know that their work is valued and that their efforts will be acknowledged.
- Students should know how a piece of homework or classwork is to be marked and how they are required to respond as a result of the feedback obtained.
- Students should know how an assignment is to be marked and how they are required to achieve the criteria prior to attempting the work.

Roles and responsibilities

- Subject teachers are responsible for indicating to students which pieces of work will be marked and how it will be marked.
- Middle and Senior Leaders are responsible for monitoring the quality of marking and its impact on student progress.

Whilst learners are working on an assessment, subject teachers can give general group feedback and support, particularly around the development of knowledge, understanding and skills.

Feedback could include:

- Guidance on how to approach the knowledge and skills requirements
- Confirmation of deadlines
- Confirmation of which criteria the assessor is targeting and clarification of the assignment brief requirements

Following submission

On the assessment record, assessors should give clear feedback on:

- the criteria the learner achieved (explaining the assessor's decisions)
- the criteria not achieved (and why) although advice on how to improve the assessment must not be included

Feedback could include:

- Which assessment criteria the learner has achieved and what the learner has done well
- Which assessment criteria the learner has not achieved and what was missing
- Information or guidance available to the learner they could have drawn upon (e.g. class notes; handouts; resources within the assignment brief)
- General approach and grammar

Students will be informed of assessment outcomes via a tracking sheet which is held centrally.

Internal Verification

- The Internal Verifier is at the centre of quality assurance in all BTEC programmes to meet national standards.
-
-

-
-
- Internal Verifiers will have the knowledge and qualifications relevant to the vocational qualification for which they are responsible to enable accurate judgements to be made.
 - Internal Verification will be carried out against the national standards and will include:
 - Carrying out and evaluating internal assessment and quality assurance systems
 - Supporting assessors
 - Monitoring the quality of assessors' performance
 - Meeting external quality assurance requirements
 - Maintaining a tracking document to record assessment

Implementation of Internal Verification

Verification of Assignment Briefs:

- The assessor will write the assignment brief
- The LIV will check the assignment is fit for purpose and that it incorporates;
 - programme details and unit
 - a deadline for the assessment
 - a time frame for the assessment
 - assessment criteria
 - task mapping against the criteria
 - relevance of the tasks set
 - evidence the learner needs to generate
 - vocational context
 - presentation requirements
- The LIV will suggest remedial action before a brief is issued
- The assessor and the LIV will confirm actions have been met
- The brief will be signed and dated by LIV
- The brief will be distributed to students

Verification of Assessment Decisions:

- Students' work will be marked by the assessor
- The LIV will sample assessed work across the grade range
- The LIV will give feedback to the assessor on the awarding of criteria, accuracy, the feedback to the learner and the grading decision. If remedial action is needed, this will be discussed and allocated a timeframe for review.
- The LIV will follow up action recommended ensuring high quality standards are being met and maintained.
- The LIV will sign off the assessment decisions form, once satisfied.
- The LIV will initial and date the 'IV Schedule-Assessment Decisions' form to indicate document sampling.

The Internal Lead Verifier will have responsibility for the above, overseen by the Quality Nominee (Deputy Headteacher responsible for examinations and vocational / BTEC programmes).

This policy will be reviewed annually by the Quality Nominee (Deputy Headteacher responsible for examinations and vocational / BTEC programmes).

The school examinations officer will have responsibility for the above, in conjunction with the Lead Internal Verifier and overseen by the Quality Nominee (Deputy Headteacher responsible for examinations and vocational / BTEC programmes).

This policy will be reviewed annually by the Quality Nominee (Deputy Headteacher responsible for examinations and vocational / BTEC programmes).

This document should be read in conjunction with the Examinations Policy, The Internal Appeals Procedure and the Assessment Policy for BTEC Courses.

APPENDIX 3

PART 1

EXAMINATION APPEALS PROCEDURE – POST RESULTS SERVICES, ACCESS ARRANGEMENTS AND SPECIAL CONSIDERATION

Any appeals relating to post results services or centre decisions regarding access arrangements and special consideration will be dealt with as follows:

- Requests for an appeal must be in writing and clearly state the grounds on which the appeal is being made
- School will acknowledge receipt of the request within [2] working days
- The concern will be referred to a Deputy Headteacher for review
- The Deputy Headteacher will review the appeal against the relevant JCQ guidance and evidence collected in school in order to determine whether the relevant JCQ guidance has been complied with
- School will inform the appellant of the outcome of the appeal in writing within a reasonable period of time taking into account all the information to be considered and any examination board deadlines

PART 2

EXAMINATIONS APPEALS PROCEDURE - NEA DECISIONS

1. Background

Lady Manners School is committed to ensuring that whenever staff assess students' work for external qualification, this is done fairly, consistently and in accordance with the specification for the qualification concerned. Assessments are conducted by staff who have appropriate knowledge, understanding and skills, and who have been trained in this activity. Students' work is produced and authenticated according to the requirements of the examinations board. Where a set of work is divided between staff, consistency is assured by internal moderation and standardisation.

After work has been assessed internally it is moderated by the awarding body (examinations board) to ensure consistency between centres. Such moderation may change the marks awarded for internally assessed work. That is beyond the control of Lady Manners School and is not covered by this procedure. If a student has concerns about this, a copy of the appeals procedure for the relevant examinations board should be obtained from the Exams Office.

2. The Appeal Procedure

Students may appeal if they feel their NEA has been assessed unfairly, inconsistently or not in accordance with the specification for the qualification.

Lady Manners School will:

-
-
1. ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body
 2. inform candidates that they will need to explain on what grounds they wish to request a review of an internally assessed mark as a review will only focus on the quality of their work in meeting the published assessment criteria
 3. inform candidates that they may request copies of materials (generally as a minimum, a copy their marked assessment material (work) and the mark scheme or assessment criteria plus additional materials which may vary from subject to subject) to assist them in considering whether to request a review of the centre's marking of the assessment
 4. having received a request for copies of materials, promptly make them available to the candidate (or for some marked assessment materials, such as art work and recordings, inform the candidate that these will be shared under supervised conditions) normally within 5 working days
 5. inform candidates they will not be allowed access to original assessment material unless supervised
 6. provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision, informing candidates that if their decision is to request a review they will need to explain what they believe the issue to be
 7. provide a clear deadline for candidates to submit a request for a review of the centre's marking. Requests will not be accepted after this deadline. Requests must be made in writing.
 8. allow time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline for the submission of marks
 9. ensure that the review of marking is conducted by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review
 10. instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre
 11. inform the candidate in writing of the outcome of the review of the centre's marking

The outcome of the review of the centre's marking will be made known to the head of centre who will have the final decision if there is any disagreement on the mark to be submitted to the awarding body. A written record of the review will be kept and made available to the awarding body upon request.

The awarding body will be informed if the centre does not accept the outcome of a review.

The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that centre marking is in line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.

This procedure is available from the Exams Office and is available to students and parents/carers on the school website.

WORD PROCESSOR POLICY

Key staff involved in awarding and allocating word processors for exams

Role	Name(s)
Access arrangements assessor	David Askew
Exams officer	Jo Picknell
Senior leader(s)	Jo Picknell
IT manager	Chris Carroll

This policy is part of the examinations policy and is reviewed and updated annually on the publication of updated JCQ regulations and guidance on access arrangements and instructions for conducting exams.

References in this policy to AA and ICE relate to/are directly taken from the [Access Arrangements and Reasonable Adjustments 2021-2022](#) and [Instructions for conducting examinations 2021-2022](#) publications.

Introduction

The use of a word processor in exams and assessments is an available access arrangement/reasonable adjustment.

(AA 4.2.1) The purpose of an access arrangement/reasonable adjustment is to ensure, where possible, that barriers to assessment are removed for a disabled candidate preventing him/her from being placed at a substantial disadvantage as a consequence of persistent and significant difficulties.

The integrity of the assessment is maintained, whilst at the same time providing access to assessments for a disabled candidate.

(AA 4.2.2) Although access arrangements/adjustments are intended to allow access to assessments, they cannot be granted where they will compromise the assessment objectives of the specification in question.

(AA 4.2.3) Candidates may not require the same access arrangements/reasonable adjustments in each specification. Subjects and their methods of assessments may vary, leading to different demands of the candidate. ALS leads/SENDCos must consider the need for access arrangements/reasonable adjustments on a subject-by-subject basis.

(AA 4.2.1) The Additional Learning Support lead/SENDCo must ensure that the proposed access arrangement/reasonable adjustment does not disadvantage or advantage a candidate.

(AA 4.2.7) The candidate must have had appropriate opportunities to practise using the access arrangement(s)/reasonable adjustment(s) before their first examination.

Purpose of the policy

This policy details how Lady Manners School complies with AA chapter 4 (Managing the needs of candidates and principles for centres), section 5.8 (Word processor) and ICE (sections 14.20-25) when awarding and allocating a candidate the use of word processor in examinations.

The term 'word processor' is used to describe for example, the use of a computer, laptop or tablet.

The use of a word processor

The centre will

- allocate the use of a word processor to a candidate with the spelling and grammar check/predictive text disabled (switched off) where it is their normal way of working within the centre (AA 5.8.1)
- award the use of a word processor to a candidate where appropriate to their needs
- For example, a candidate with:
 - a learning difficulty which has a substantial and long-term adverse effect on their ability to write legibly
 - a medical condition
 - a physical disability
 - a sensory impairment
 - planning and organisational problems when writing by hand
 - poor handwriting (AA 5.8.4)
- only permit the use of a word processor where the integrity of the assessment can be maintained (AA 4.2.1)
- not grant the use of a word processor where it will compromise the assessment objectives of the specification in question (AA 4.2.2)
- consider on a subject-by-subject basis if the candidate will need to use a word processor in each specification (AA 4.2.3)
- process access arrangements/reasonable adjustments at the start of the course, or as soon as practicable having firmly established a picture of need and normal way of working, ensuring arrangements are always approved before an examination or assessment (AA 4.2.4)
- provide the use of word processors to candidates in non-examination assessment components as standard practice unless prohibited by the specification (AA 5.8.2)

The centre will not

- simply grant the use of a word processor to a candidate because they now want to type rather than write in exams or can work faster on a keyboard, or because they use a laptop at home. (AA 5.8.4)

Exceptions

The only exceptions to the above where the use of a word processor would be considered for a candidate would be

- in the event of a temporary injury or impairment, or a diagnosis of a disability or manifestation of an impairment relating to an existing disability arising after the start of the course (AA 4.2.4)
-
-

-
-
- where the curriculum is delivered electronically and the centre provides word processors to all candidates (AA 5.8.4)

Centre specific processes

Arrangements at the time of the assessment for the use of a word processor

A candidate using a word processor is accommodated in a separate room, where appropriate.

In compliance with the regulations the centre:

- provides a word processor with the spelling and grammar check facility/predictive text disabled (switched off) to a candidate where it is their normal way of working within the centre, unless an awarding body's specification says otherwise (ICE 14.20)
- (where a candidate is to be seated with the main cohort without the use of a power point) checks the battery capacity of the word processor before the candidate's exam to ensure that the battery is sufficiently charged for the entire duration of the exam (ICE 14.21)
- ensures the candidate is reminded to ensure that their centre number, candidate number and the unit/component code appear on each page as a header or footer e.g. 12345/8001 – 6391/01 (ICE 14.22)
- If a candidate is using the software application Notepad or Wordpad these do not allow for the insertion of a header or footer. In such circumstances once the candidate has completed the examination and printed off their typed script, they are instructed to handwrite their details as a header or footer. The candidate is supervised throughout this process to ensure that they are solely performing this task and not re-reading their answers or amending their work in any way.
- ensures the candidate understands that each page of the typed script must be numbered, e.g. page 1 of 6 (ICE 14.23)
- ensures the candidate is reminded to save their work at regular intervals (or where possible, an IT technician will set up 'autosave' on each laptop/table to ensure that if there is a complication or technical issue, the candidate's work is not lost) (ICE 14.24)
- instructs the candidate to use a minimum of 12pt font and double spacing in order to make marking easier for examiners (ICE 14.24)

(ICE 14.25)

The centre will ensure the word processor:

- is only used in a way that ensures a candidate's script is produced under secure conditions
 - is not used to perform skills which are being assessed
 - is not connected to an intranet or any other means of communication
 - is in good working order at the time of the exam
-
-

-
-
- is accommodated in such a way that other candidates are not disturbed and cannot read the screen
 - is used as a typewriter, not as a database, although standard formatting software is acceptable and is not connected to an intranet or any other means of communication
 - is cleared of any previously stored data
 - does not give the candidate access to other applications such as a calculator (where prohibited in the examination), spreadsheets etc.
 - does not include graphic packages or computer aided design software unless permission has been given to use these
 - does not have any predictive text software or an automatic spelling and grammar check enabled unless the candidate has been permitted a scribe or is using speech recognition technology (a scribe cover sheet must be completed), or the awarding body's specification permits the use of automatic spell checking
 - does not include speech recognition technology unless the candidate has permission to use a scribe or relevant software
 - is not used on the candidate's behalf by a third party unless the candidate has permission to use a scribe

Portable storage medium

(ICE 14.25)

The centre will ensure that any portable storage medium (e.g. a memory stick) used

- is provided by the centre
- is cleared of any previously stored data

Printing the script after the exam is over

(ICE 14.25)

The centre will ensure

- the word processor is either connected to a printer so that a script can be printed off, or have the facility to print from a portable storage medium
- the candidate is present to verify that the work printed is his or their own
- a word-processed script is attached to any answer booklet which contains some of the answers
- where an awarding body requires a cover sheet to be completed this is included with the candidate's typed script (according to the relevant awarding body's instructions)

Appendix 4a

The criteria Lady Manners School uses to award and allocate word processors for examinations

The 'normal way of working' for exam candidates, as directed by the head of centre, is that candidates handwrite their exams. An exception to this is where a candidate may have an approved access arrangement in place, for example the use of a scribe/speech recognition technology.

All students eligible for the use of a word processor have this information stored in the same location as other students with Access Arrangements so that it is easily accessible for teachers, SEND staff and the exams officer.

The use of word processors

There are also exceptions where a candidate may be awarded/allocated the use of a word processor in exams where the candidate has a firmly established need, it reflects the candidate's normal way of working and by not being awarded a word processor would be at a substantial disadvantage to other candidates.

This may include where a candidate has, for example:

- a learning difficulty which has a substantial and long-term adverse effect on their ability to write legibly. This information may be detailed in an EHCP.
- a medical condition
- a physical disability
- a sensory impairment
Students with the above needs usually have advice from a specialist or GP to validate their condition.
- planning and organisational problems when writing by hand
- poor handwriting
Students with poor handwriting or slow handwriting are assessed for typing and handwriting speed using LUCID Exact to ensure that their typing speed is comparable or exceeds their writing speed.

The only exception to the above where the use of a word processor may be considered for a candidate would be:

- on a temporary basis as a consequence of a temporary injury at the time of the assessment
- where a subject within the Middle is delivered electronically and the centre provides word processors to all candidates

Arrangements for the use of word processors at the time of the assessment.

Appropriate exam-compliant word processors will be provided by the IT department in liaison with the SENDCO and the exams officer. In exceptional circumstances where the number of appropriate word processors may be insufficient for the cohort of candidates approved to use them in an exam session, the cohort will be split into two groups. One group will sit the exam earlier than or later than the awarding body's published start time.

The security of the exam will be maintained at all times and candidates will be supervised in line with section 7 of ICE.

APPENDIX 5

Non-Examination Policy

Key staff involved in the conduct of non-examination assessments

Role	Name(s)
Head of centre	Gary Peat
Quality assurance lead/Lead internal verifier	Jo Picknell
Senior leader(s)	Jo Picknell / Curriculum Leaders
SENDCo / staff member responsible for access arrangements	Claire Wilson / David Askew
Exams officer	Jo Picknell

What does this policy affect?

This policy affects the delivery of subjects of GCE and GCSE qualifications which contain a component(s) of non-examination assessment.

The regulators' definition of an examination is very narrow. In effect, any type of assessment that is not:

- set by an awarding body
 - designed to be taken simultaneously by all relevant candidates at a time determined by the awarding body, and
 - taken under conditions specified by the awarding body (including conditions relating to the supervision of candidates during the assessment and the duration of the assessment)
- is classified as non-examination assessment (NEA).

'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'. (JCQ's Instructions for conducting non-examination assessments, Foreword)
[This publication is further referred to in this policy as NEA](#)

Purpose of the policy

The purpose of this policy, as defined by JCQ, is to

- cover procedures for planning and managing non-examination assessments
- define staff roles and responsibilities for non-examination assessments
- manage risks associated with non-examination assessments

The policy will need to cover all types of non-examination assessment. ([NEA](#), section1)

What are non-examination assessments?

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting;
- task taking;
- task marking. ([NEA](#), section 1)

Procedures for planning and managing non-examination assessments identifying staff roles and responsibilities

- Marks internally assessed work to the criteria provided by the awarding body
- Ensures the exams officer is provided with relevant entry codes for subjects (whether the entry for the internally assessed component forms part of the overall entry code for the qualification or is made as a separate unit entry code) to the internal deadline for entries

Exams officer

- Signposts the annually updated JCQ [NEA](#) publication to relevant centre staff
- Carries out tasks where these may be applicable to the role in supporting the administration/management of non-examination assessment

Task setting

Subject teacher

- Selects tasks to be undertaken where a number of comparable tasks are provided by the awarding body OR designs tasks where this is permitted by criteria set out within the subject specification
- Makes candidates aware of the criteria used to assess their work

Issuing of tasks

Task taking

Supervision

Subject teacher

- Checks the awarding body's subject-specific requirements ensuring candidates take tasks under the required conditions and supervision arrangements
- Ensures there is sufficient supervision to enable the work of a candidate to be authenticated
- Ensures there is sufficient supervision to ensure the work a candidate submits is their own
- Is confident where work may be completed outside of the centre without direct supervision, that the work produced is the candidate's own
- Where candidates may work in groups, keeps a record of each candidate's contribution and it must be possible to attribute assessable outcomes to individual candidates
- Ensures candidates are aware of the current JCQ documents [Information for candidates - non-examination assessments](#) and [Information for candidates - Social Media](#)
- Ensures candidates understand and comply with the regulations in relevant JCQ Information for candidates' documents

Advice and feedback

Resources

Subject teacher

- Refers to the awarding body's specification and/or associated documentation to determine if candidates have restricted/unrestricted access to resources when planning and researching their tasks
 - Ensures conditions for any formally supervised sessions are known and put in place
 - Ensures appropriate arrangements are in place to keep the work to be assessed, and any preparatory work, secure between any formally supervised sessions, including work that is stored electronically
 - Ensures conditions for any formally supervised sessions are understood and followed by candidates
-
-

-
-
- Ensures candidates understand that they are not allowed to introduce augmented notes or new resources between formally supervised sessions
 - Ensures that where appropriate to include references, candidates keep a detailed record of their own research, planning, resources etc.

Word and time limits

Subject teacher

- Refers to the awarding body's specification to determine where word and time limits apply/are mandatory

Collaboration and group work

Subject teacher

- Unless stated otherwise in the awarding body's specification, and where appropriate, allows candidates to collaborate when carrying out research and preparatory work
- Ensures that it is possible to attribute assessable outcomes to individual candidates
- Ensures that where an assignment requires written work to be produced, each candidate writes up their own account of the assignment
- Assesses the work of each candidate individually

Authentication procedures

Subject teacher

- Where required by the awarding body's specification
 - ensures candidates sign a declaration confirming the work they submit for final assessment is their own unaided work
 - signs the teacher declaration of authentication confirming the requirements have been met
- Keeps signed candidate declarations on file until the deadline for requesting reviews of results has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later
- Provides signed candidate declarations where these may be requested by a JCQ Centre Inspector
- Where there may be doubt about the authenticity of the work of a candidate or if malpractice is suspected, follows the authentication procedures and malpractice information in [NEA](#) and informs a member of the senior leadership team
- Understands that if, during the external moderation process, it is found that the work has not been properly authenticated, the awarding body will set the mark(s) awarded by the centre to zero

Presentation of work

Subject teacher

- Obtains informed consent at the beginning of the course from parents/carers if videos or photographs/images of candidates will be included as evidence of participation or contribution
 - Instructs candidates to present work as detailed in [NEA](#) unless the awarding body's specification gives different subject-specific instructions
 - Instructs candidates to add their candidate number, centre number and the component code of the assessment as a header/footer on each page of their work

Keeping materials secure

Subject teacher

- When work is being undertaken by candidates under formal supervision, ensures work is securely stored between sessions (if more than one session)
- When work is submitted by candidates for final assessment, ensures work is securely stored
- Follows secure storage instructions as defined in [NEA 4.8](#)
- Takes sensible precautions when work is taken home for marking
- Stores internally assessed work, including the sample returned after awarding body moderation, securely until all possible post-results services have been exhausted
- If post-results services have not been requested, returns internally assessed work to candidates (if requested by a candidate) after the deadline for requesting a review of results for the relevant series
- If post-results services have been requested, returns internally assessed work to candidates (if requested by a candidate) once the review of results and any subsequent appeal has been completed
- Reminds candidates of the need to keep their own work secure at all times and not share completed or partially completed work on-line, on social media or through any other means (Reminds candidates of the contents of the JCQ document Information for candidates – Social Media)
- Where work is stored electronically, liaises with the IT Manager to ensure the protection and back-up of candidates' work and that appropriate arrangements are in place to restrict access to it between sessions
- Understands that during the period from the submission of work for formal assessment until the deadline for requesting a review of results, copies of work may be used for other purposes, provided that the originals are stored securely as required

IT Manager
