Dear Applicant

Teacher of Mathematics

This post provides an outstanding opportunity for an enthusiastic, innovative and committed teacher to join the highly successful Mathematics curriculum area within the Business and Mathematics Faculty. You will find supportive, experienced and friendly colleagues, with professional development for staff strongly encouraged, as we all work together to provide the best possible experience for students.

The successful candidate will be:

- a well qualified Mathematics teacher who is able to contribute to the development of Mathematics at different key stages
- able to inspire students of all abilities and ages to achieve their highest potential
- committed to delivering high quality teaching and learning
- a strong team player.
- well aware of the importance of safeguarding children

To assist you with your application the following documents are available:

- Information regarding the Business and Mathematics Faculty
- Job Description
- Person Specification
- Application Form

Completed application forms should be returned to the Headteacher by **9.00 am Monday 21 October 2024**. The application form must be accompanied by a supporting letter which should address:

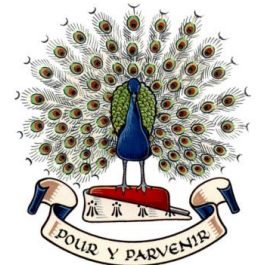

- why you would like to work at Lady Manners School and how you feel you are suited to this post
- your own approaches to teaching and learning
- how you would contribute to the development of an already successful faculty and school

Thank you for your interest in this post. I genuinely hope that you are encouraged to apply for this important role at Lady Manners School and appreciate the time and effort needed to complete such an application. Should you be called to interview, you will be contacted with further details. If you do not hear back from us within two weeks, please assume your application has not been successful on this occasion, and I wish you every success in your future career.

We look forward to receiving your application and working with the successful candidate.

Yours sincerely
