Investing in…
our School
our Community
and our Future

Lady Manners School

Lady Manners School

At Lady Manners School, we are committed to providing an outstanding education for all our students.

Despite prudent financial management, government funding is not sufficient for the capital investments we would like to make to develop our school, and so we must look beyond our traditional funding to maintain excellent facilities and opportunities.

Over the next 18 months, we aim to raise funds to make significant developments to ensure our school is at the forefront of education for our community.

Your support, whether as a local business, parent, carer, or community stakeholder, will make a direct difference to the education and life chances of our students. By investing in your school, and our community, we can impact their futures.

Working together, we can continue to grow, innovate, and empower the next generation to achieve their full potential.

Gary Peat, Headteacher

Investment Tiers

Quick Enhancements **£2k - £8k**

Small projects and resources that are quick to procure.

Capital Enhancements **£8k - £15k**

Medium sized projects that can be developed in stages.

Capital Investments **£15k - £50k**

Larger projects that require external companies to provide materials and expertise.

Capital Developments **£50k+**

More extensive projects which require significant funding, planning and installation, procured with external organisations.

The projects on the following pages are suggested proposals.

If you have any other areas that you would like to contribute to, please do not hesitate to contact us:

call 01629 812 671 ext. 105 or

email Jsnell@ladymanners.derbyshire.sch.uk
